

## E-Bulletin

### ANNOUNCEMENT

**OMIC** and the **Northern Virginia Academy of Ophthalmology (NVAO)** are pleased to offer a risk management presentation during their fall dinner meeting on November 5, 2018.

All ophthalmologists, regardless of specialty, are at risk for lawsuits alleging failure to diagnose retinal detachments (RDs). Michael Tigani, MD, OMIC board member, and Linda Harrison, PhD, OMIC Director of Risk Management, will present data from a study of RD lawsuits and share advice gleaned from expert reviews.

**Day/Date**                    **Monday, November 5, 2018**  
**Time:**                        **Cocktails @ 6:00 p.m., Dinner @ 6:30 p.m.**  
**Place:**                        **Maggiano's, Tyson's Galleria, 2001 International Dr.,  
McLean, VA**  
**Topic:**                        ***Lawsuits Alleging Failure to Diagnose Retinal  
Detachments***

**Registration:**              **Meeting open to NVAO members.  
Fully paid meeting registration required for non-NVAO  
physicians**

**Discount:**                    **5% discount on OMIC premium for current NVAO  
members who attend this risk management talk**
